

# BINGO

## *Eurovision style*

<p>The wind machine is on. You think back to the glory days before TV</p>	<p>Uncomfortable ballad, sung with eyes closed. Your party is 6% less fun</p>	<p>Electro Velvet sing about sneezes and diseases. Hope dies</p>	<p>Glitter rains from high above. The glitter gods shine on Vienna this night</p>
<p>You remember Bonnie Tyler. You turn off the TV and listen to Bonnie Tyler</p>	<p>The costume's louder than the song. Nice sequins, buddy</p>	<p>That effing butterfly is on</p>	<p>Someone's come dressed as an extra on Battlestar Galactica</p>
<p>'Traditional' dress revamped. You think you could pull it off</p>	<p>You worry about the reliability of the pyrotechnics</p>	<p>A waterfall. Yes, really</p>	<p>Your pal makes a 'nul points' joke. The unoriginality sickens you</p>
<p>An act cries. You wonder when your soul died</p>	<p>You think about Engelbert Humperdinck. Oh, Engy</p>	<p>ABBA get a mention. You silently wonder if you're a true dancing queen</p>	<p>Someone keeps it simple: song, suit. You're heartbroken</p>
